

Sponsorship Tracking Lists:

- check to see if a company has already been approached
- add a target sponsor you'd like to approach or have a committee member approach
- add yourself as a sponsor
- track progress of sponsorships

Once you click on the link "sponsorship tracking list" (highlighted in blue) this will take you to Google Docs, then type in the e-mail name and password.

E-mail: **canadians10@gmail.com**

Password: **2010canadians**

This will take you to 2 lists:

1. Targeted Sponsors
2. Confirmed Sponsors

List #2 is also a "wish list" of sponsorship levels plus required items that can be supplied by in-kind contributions instead of cash.

To switch between lists, click on the bottom left corner of the screen.

You may type info directly onto list #1, or e-mail your information to Nancy Stewart at nadastew@hotmail.com
